Festival of Tables

Ladies Luncheon

Sponsored by Women’s Guild of Filling Homes

The Hot Flashes are a group of “young at heart” ladies singing 3-part harmony with a twist! The Hot Flashes will entertain you with their renditions of songs that will take you back to the Doo Wop years of the fifties and sixties. This group of women from the Pemberville area will set your feet a tappin’ and you’ll be singing along in no time. They’re Hot!
