

FOCUS ON FILLING

Winter 2024

As we kick off our 65th Anniversary Celebration, Ricky reminds us of a key component to our success, **LIVING GENEROUSLY**, which is how our story began and continues on today. P8.

“In Everything, Give Thanks”

As we look over the accomplishments of 2023, and plan for the future of our ministries, we know that our

LMM organizations: Filling Home, Luther Home of Mercy, and Lutheran Social Services of Northwestern Ohio are driven by a strong sense of compassion and comradery, people working day in and day out to bring about positive change.

We are blessed by volunteers who selflessly dedicate their time, energy and skills. We are grateful to passionate donors who make it possible for our organizations to achieve ambitious goals in service to others. And we are fortunate to have many kindhearted individuals offering their unwavering support and encouragement. When joined by caring and dedicated staff, these are our strengths even in times of change or uncertainty.

We recognize that it is compassion, kindness and selflessness that have allowed our organizations to thrive. Our success is not the result of a single person's work, but rather a testament to the power of unity and community spirit. We are fueled by the enduring support of many incredible individuals who understand the strength of giving thanks and helping others to thrive.

This collective effort of all involved has improved lives, created opportunities and brought hope to those who need it most. At our annual meeting this coming March, we will highlight some of these stories, creating a vivid picture of the incredible impact an organization can have when supported by such a caring community. We hope you will join us on March 11th!

A Message from Carol Slight, Vice President

Celebrating 65 years of impactful service, Filling Homes reflects on a rich history of community support and positive changes in the lives of so many. From humble beginnings to meaningful milestones, we hope you will join us this year in commemorating a legacy dedicated to making a difference in the lives of those we serve.

When Filling Homes opened its doors in 1959, our founder, Carrie Filling Vajen, who is shown below breaking ground in August of 1958, wanted a home for people with disabilities where they would get the kind of care that they would have a hard time finding anywhere else. Her Mission, the mission of Filling Homes, was rooted in the teachings of Jesus and emphasized by love, compassion, dignity and respect and it continues to this day. She knew those Christian principles needed to be the foundation so faith-based we have always been and faith-based we will always be.

As we celebrate our 65th anniversary, we are filled with gratitude for the countless individuals, families, employees, volunteers, and supporters who have played a crucial role in our journey. Looking ahead, our commitment to enriching the lives of those we serve remains steadfast.

In closing, let our collective faith continue to guide us as we navigate the path ahead, knowing that with each step, we are building a legacy of love.

Blessings and gratitude,

Carol Slight
Vice President of Filling Homes

GRANT AWARDED

Filling Homes Transportation Fund was awarded a \$15,000 Grant from the Zeisloft Family Trust, Bryan, Ohio. Pictured above, Jilene Richards of Richards & Walker presents Carol Slight with a check on behalf of the Zeisloft Family in support of Filling Homes and our Mission to enrich the lives of people with intellectual and developmental disabilities.

With a fleet of 32 vehicles with the oldest being a 1996 Sedan, vehicle maintenance is crucial. Not only does the Transportation Fund allow us to purchase accessible vehicles when needed, it also allows to prolong the overall lifespan of the fleet with scheduled inspections, timely repairs and proactive measures to assure reliability.

Support of this Fund allows us to keep our Mission in Motion, literally!

Standing Tall in Generosity

Our heartfelt thanks to Terry L. Bossert for graciously donating a flagpole which was placed by the Community Garden on our main campus.

Filling Fall Fling 2023

The Fall Fling Committee: seated Denise Etzler, Arlene Freytag, Carolyn Schlade, standing Rita Schweinhagen, Carol Dille, Donna Drewes, Lillian Watchman, Kathy Lieb, and Jean Cohrs.

The 18th year for the Filling Fall Fling was nothing less than a success! Presented by the Filling Homes' Guild, this annual event is always held the 2nd Saturday in November, and is a fundraiser for the transportation fund of Filling Homes. This is such an important part of our mission as it provides Filling Homes with the ability to get more people out and about within their communities in a safe, reliable and convenient manner.

"It was wonderful to see the tables full, everyone stepped up and did their thing and I was amazed" and "our dear friend Mary Ellen Nerod, she is so generous" said Mrs. Dille, Fall Fling Chairperson. Mrs. Mary Ellen Nerod, in memory of her daughter Cathy Dennison, pledged matching funds of .50 cents to every dollar, up to \$15,000. Filling Home's supporters responded to this in a BIG way, allowing us to raise \$29,311 for the transportation fund.

Many thanks to the Guild, Mrs. Nerod and all other donors, volunteers and everyone who supported the '23 Filling Fall Fling!

2024 - Celebrating 65 Years of Service

As you can see below our footprint has increased largely since 1959, growing from the original building that housed 13 adults and 16 children to now being able to serve 54 people at our main facility. Additionally, an equal number of people are served through our community services program, and over 60 in our day programs.

Ricky, with a big smile, advertises on the cover photo the phrase "Live Generously" – and that is the key component of our growth and success. In living generously, we've embraced a philosophy that goes beyond financial contributions. It's about creating a culture of compassion, understanding, and genuine connection. Our staff, volunteers, donors, and supporters have played a pivotal role in making this vision a reality.

It is often heard that Filling Home staff "must have a lot of patience to do what you do", and while every job requires a level of patience, what should not go missed is how rewarding it is to work so closely with the individuals we serve. Many staff will say the clients and residents have taught them as much and they

have been taught throughout the years.

One example of that would be how Ricky has taught staff the joy of faith through his own faith and them joining him regularly at church. He has certainly touched the lives of others by expressing his faith and his joy through his regular church attendance and through his art made at Soaring Arts Studio.

Ricky is part of Filling Homes Supported Living Program, having received services from Filling Homes in his home in the community since 2000. Ricky lives independently with help from our staff with tasks such as setting his alarm for work, preparing meals, transportation and recreation. Ricky loves to go out into the community to Mud Hens and football games and he loves The Beatles.

As we celebrate this milestone, we invite you to join us in reflecting on the power of generosity, and as Ricky does, live generously!

Pictured above is the original building, which opened in September of 1959 and our campus as it is today, nearly 65 years later.

It Takes a Village

True generosity means there's no obligation in sight. At Christmas, the act of giving points to the One who gave everything for us. Jesus said it's more blessed to give than to receive. In truth, we would much rather be givers than receivers.

Filling Homes is honored to be a part of Dental Excellence 25 Years of Smiles campaign. Pictured are Kyla Bressler of Dental Excellence of Napoleon and Jean Cohrs, Filling Homes Director of Mission Advancement.

Trinity Lutheran Church, Delta, delivered items given to their Angel Tree for the residents at Filling Homes. We are truly thankful for the thoughtfulness of so many!

Debbie Wesche from St. Luke's Lutheran Church in Wauseon dropped off an in-kind donation from the church and Debbie also participated in Filling Homes' Secret Santa program.

Steve Graf delivered packages from Zion Lutheran Church, Defiance, who was another participant in Filling Homes' Secret Santa program as well as many other staff and community members.

Expanding the Circle of Care

This group was organized to bring parents and guardians of Filling Home residents together to show support for each other. The first meeting was held in October and those attending enjoyed a worship service led by Pastor Denise Brown, an Ice Breaker activity, refreshments and socializing.

During this meeting the group asked for some way parents could connect with each other and ways they might be informed of upcoming events. In response, we have set up a Remind account for Filling Home Parents.

Contact Pastor Denise Brown if you would like more information at dbrown@fillinghome.org.
